

Grand Coulee Ball Team To Play At Lions' Jamboree On Wednesday, August 8th

The date of the Didsbury Lions Club Jamboree has been set for Wednesday, August 8, and the big day of entertainment starts with the monster parade which lines up at Roseland Motors at 10:30 a.m. Parade prizes will be awarded for the best decorated bicycles, kids and their dogs, best rider and mount, best rider and mount in sheltland class, best old time outfit, best clown, best decorated float and best decorated cars.

In connection with the parade all entries must be made to Payson Freeman Co. Ltd. by August 6. Real old timers of the district are invited to report at the head of the parade before 11 a.m. when cars will be provided for them.

Following the parade the crowd will gather at the exhibition grounds where arrangements have been made to provide the best baseball games available in western Canada. Washington State Raindrops, a colored, all-star team from Grand Coulee, Washington, will play the Central Alberta All Stars in a two-game series commencing at 2:30 p.m. \$2.00 in prize money is at stake and the games will be well-worth the price of admission. The second game in this series will be at 5:00 p.m.

At 7:30 p.m. the Didsbury Junior ball team will play Red Deer Juniors in what promises to be a real battle.

Refreshments will be served at the grounds and children's races and other sports have been arranged for the boys and girls.

To wind up the sports a big dance will be held at the Melvin Hall, with Krebs' Orchestra. This dance is being sponsored by the Didsbury Branch of the Canadian Legion, and proceeds of both dance and sports will be devoted to the completion of the memorial hall diamond.

For a day of entertainment and enjoyment plan now to attend the Jamboree in Didsbury Wednesday, August 8.

Geo. Thring Elected As Town Councillor

At the nominations for Town councillor on Monday, July 30, to fill the vacancy caused by the resignation of Herb Stiles who has left Didsbury to enter into business in Edmonton, George Thring was the only candidate nominated and he was declared elected by acclamation by returning officer Fred L. Evans.

The Council of the Town of Didsbury now consists of Mayor H. Lynch-Staunton and Councillors: E. Reuber, S. J. Gillson, Ed Kinick, F. Andrews, E. Pieper and G. Thring.

Delay In Extending Health Unit Area

In the second quarterly report of the Roseland Health Unit, issued by Dr. F. J. G. Lishman, the following information is contained:

During the last quarter, following the resolution of the Board at their April meeting to apply for reconstitution under the Health Unit Act (1951), plans have been made and indeed completed, to enable the district at present covered by the Health Unit, plus the additional area to the South and West known to desire health unit service, to be operated as from July 1st.

The necessary Departmental action however could not be completed in time for the new Unit to start on July 1st, and for financial reasons it is difficult to commence at a time other than the beginning of a quarter. It has therefore been necessary to postpone dissolution and reformation until October 1st. The Order in Council forming the new Unit and specifying its Ward, is made as from July, and for the next two months both Boards will exist. This will give the new Board time to appoint its staff, and prepare its budget, in advance, ready to start work October 1st.

Locally the planning of the new Unit has involved visits by the Medical Officer of Health to Bowness and Cochrane, where council meetings have been attended, by the M.O.H. and the Secretary-Treasurer designate to the Department of Health, Edmonton, and by the Sanitary Inspector, jointly with Mr. Johnston, the Provincial Sanitary Inspector based on Calgary to Bowness, Cochrane, Ebbshaw, Camrose and surrounding country. Since this work was done, information has been received that Camrose and Ebbshaw, and other parts of I. D. 46 from Seebe westward, will not at present be included in the new Unit.

Wednesday, Aug. 8 A Civic Holiday

In order to allow all town people to take in the parade and the big Jubilee sports on Wednesday, August 8, the Council of the Town of Didsbury intends to declare a civic holiday and all places of business in town will be closed for the entire day.

In renewing their subscription to The Pioneer Mr. and Mrs. Erven M. Rodney of Ladner, B.C., report the weather out there hot and dry with no rain in weeks. The apple and pear crops are good but cherries and small fruits were poor. This year, the potato crop is good but there isn't a market for them. Mr. and Mrs. Rodney extend their best regards to their many friends in the Didsbury district.

Can you beat this? Mrs. Good has sent in a stalk of rhubarb grown on the farm of Sam Good, southwest of Carstairs, which was 24 inches long, trimmed, and measured 4 inches around.

Mrs. Ellen Crossman underwent a major operation last Thursday in the Holy Cross Hospital, Calgary.

Olds Fair To Be Held August 10-11

Everything is in readiness for the 51st annual Olds Fair which will be held on August 10 and 11. Prize lists have been distributed and should anyone want a copy they may get one by applying direct to the secretary, W. M. Galloway in Olds. There are over 200 classes in the fair book and more than \$1000 is offered in prize money.

There are 420 reserved seats for each of the three performances. One show will be staged Friday evening and there will be two shows on Saturday evening. Reservations for seats in the grandstand can be made by contacting Mr. Galloway. In addition to the reserved seats there is plenty of seating room in the five bleachers together with good standing room.

It is pointed out that all seats whether reserved or not will be at the same price, \$1.00 for adults and 50c for children. Reserved seats for children are the same price as adult tickets.

Considerable activity on this section of the C.P.R. has taken place during the past several weeks during the changing of steel on the main line between Calgary and Edmonton. The former 85 pound steel has been replaced with new 100 pound steel. Many people have an incorrect idea of the size and weight of steel rails. The approximate weight of 100-pound steel is 100 pounds per linear yard of rail, not per linear foot.

Pioneer Airman Honored

Dr. Albert Roper (left), secretary-general of the International Civil Aviation Organization and pioneer French airman, is awarded the Cordón of the Commander of the Order

New Addition Started To Barrell's Garage

Work started last week on the new addition to Barrell's Garage, and the new part is being constructed on the east side of the present building, facing north.

The new building will be of a good size and will provide plenty of room for a service garage. It will be of frame and stucco construction.

Pete Hiebert is the carpenter in charge and the building is expected to be ready for occupancy about the middle of September.

Applications Accepted For Old Age Pensions

Application forms for Old Age Pensions are now available in all post offices throughout Alberta, the Regional Director of Old Age Security, H. C. L. Gillman, said at Edmonton this week.

Persons who are already receiving Old Age Pensions do not have to fill out new application forms, Mr. Gillman emphasized. Their names and addresses are being obtained from provincial records and transferred to federal lists without any action being required on their part. Alberta has approximately 18,250 persons in this group. Those who are receiving a \$40-a-month pension will have it continued at that level; those who are getting a partial pension will find it increased to \$40.00.

Alberta has approximately 25,000 persons aged 70 or over not now getting pensions who will be eligible for a pension under the new program, Mr. Gillman said. It is essential, he emphasized, that these people send in their applications immediately, so that proof of age and residence in Canada may be checked and all arrangements completed for the first cheques to go out toward the end of next January.

Delay in sending in an application may mean that the application cannot be put through in time for the January cheque issue. The longer the delay the less chance there is that the application can be handled in time.

Applicants must prove their age and the proof should be sent along with the application form. Birth or Baptismal Certificates are best evidence. Other documents that will be considered include records in family Bibles, church rolls or registers, marriage records, commission certificates, passport and acknowledgements of age by insurance companies.

"If you cannot send evidence of this kind, please send any documents you do have that support your claim of age," Mr. Gillman said. "These documents will, of course, be returned to you. If you cannot send anything to prove your age, send in your application anyway, stating that you have no document to support your claim of age. You will then be told what you must do about proving age."

The pension cheques will be addressed to the pensioner himself, although provision will be made to pay the pension to some other person or agency when this becomes necessary because of the pensioner's illness or infirmity.

Good Crowd Attends Picnic At Hatchery

The Central Alberta Fish and Game Picnic Association, comprising the associations of Innisfail, Bowden, Okla, Didsbury and Carstairs, concluded another successful picnic at the Haven Hatchery west of Innisfail on July 29, although the crowd was somewhat smaller than previous years due to the inch of rain which fell over almost the entire area Saturday evening, and the incursions of hail storm which flattened crops from west of Innisfail to Okla.

The day was ideal for the picnic, and the grounds at the hatchery were in nice shape for sports and picnicking. Spectators were disappointed that the rearing ponds were under repair and did not have the usual varieties of small fish to look at, although there were some lovely trout in the main pool.

The Didsbury Association had charge of the refreshment booth and should clear over \$100 on their undertaking, with sales approximating those of last year.

Results of the rifle competition, fly casting competition, and other sports events are not available.

Mr. J. Robertson, Ravins won the \$113 fishing outfit.

WESTCOTT NOTES

Mr. and Mrs. Herbert Goetjen, Leslie and Deloyce, and Mr. Ralph Buck spent Sunday at Red Deer where Marjorie played the first of three ball games in the Provincial play-offs.

The executive of the Westcott Community Club held a business meeting last Friday evening at the home of Mr. and Mrs. Chas. Topping. Several items of business were discussed before the meeting broke up and lunch was served by Mrs. Topping.

Westcott W. I. members were well represented at the W.I. Conference in Didsbury last Saturday.

Haying is in full swing and everyone is trying to beat the showers at the job. It takes a long time to cure the crop which is heavy. If it can just be harvested there is the assurance of abundance of feed for stock this winter.

Mr. and Mrs. Berneil Reinhardt and Mr. and Mrs. Albert Schneidmiller attended the picnic at Haven Fish Hatchery on Sunday.

The editor received two cards this past week from Mr. E. T. Wiggins, who is in Europe attending the world conference of teachers. The cards were from the Budapest, July 16, and the other from Malta, dated July 20.

Nash-Frey Nuptials At U.M.C. Church July 27

Beautiful nuptial arrangements of pink and white flowers formed the setting for the marriage of Grayce Ellen Frey and Lee Martin Nash on July 27 at 3 p.m. in the United Methodist Church, Didsbury. The ceremony united the elder daughter of Rev. and Mrs. Amey Frey of Didsbury and the son of Mrs. Grace Nash of Salmon, B.C.

The marriage lines were read by the bride's father who was assisted in the ceremony by Rev. James T. Hiesman.

During the prelude of wedding music, the piano Mr. Donald Taylor, governed in pink cheer, interpreted appropriate hymns in addition to traditional music and the wedding march from Wagner and Mendelssohn. Miss Marion Good ate in pink cheer, sang "A Wedding Prayer" and "O Perfect Love."

Given in marriage by her father, the bride was crowned in white satin, styled with a lace veil, her point sleeves and scalloped off the shoulder bertha edged with Chantilly lace. The bouffant skirt fell in deep folds and featured scalloped panels, also edged with lace.

(Continued on Page 2)

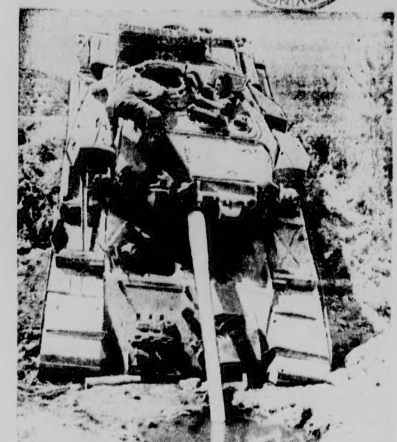

Shower For Miss Frey At A. Traub Home

On July 23rd at the A. Traub home Mrs. Herb Debele, Mrs. Loyal Snyder and Mrs. Verla Traub were joint hostesses at a shower for Miss Grayce Frey, a July bride.

Over fifty ladies and girls were present, and many useful and beautiful gifts were given to Grayce. Little Norma Jean Debele and Ralph Snyder, dressed as bride and groom, wheeled the bride in a decorated buggy.

Of special interest was a bride's book which was given to the bride and which was photographed by each guest.

After lunch the guests each wished Grayce much happiness in her married life.

This British Cavalry tank resembles an elephant drinking as it stands at a crazy angle, its gun barrel sticking in a waterhole along a Korean roadside north of Seoul. The two soldiers are carrying out "operation snake," which calls for the removal of all usable parts from the vehicle.

W.I. Work Reviewed At Constituency Conference

About eighty-five members, visitors and delegates attended the Constituency Conference of Women's Institutes held in Knox United Church, Didsbury, on Saturday, July 28. The following branches were represented: Lone Pine, Banff, Mountain View, Melvin, Ringby, Westcott, Zella and Cremona. Girls Clubs represented were Lone Pine Orioles, Rugby Bluebellies and Banford Buttercups.

Mrs. J. Robertson was in the chair with Mrs. H. Rosegood as secretary. Guest speakers included Mrs. A. E. McGormann, provincial president of Alberta Women's Institutes, and Mrs. Andy Mundie of Kneehill Valley, the newly elected district director, who was making her first visit to the province. Mrs. Rosegood gave the address of welcome and Mrs. W. E. Stiles replied. Mrs. Walcott reviewed the work of the Zella Institute; Mrs. Burnett, Mountain View; Mrs. E. Alhgrimm, Lone Pine; Mrs. Ed Kinick, Westcott; Mrs. J. Rosegood, Rugby; Mrs. M. Schneidmiller, Melvin; Mrs. R. Good, Banford; and Mrs. Johnson, Cremona.

Miss Vera Betts reported for the Bluebellies; Mrs. Marsh for the Buttercups; and Mrs. Brander for the Orioles.

The reports covered a wide range of educational topics. Considerable money was raised and spent for worthy objectives to fulfill the W.I. motto for Home and Country, or, as Mrs. McGormann said, "For better homes and Country." The constituency project last year was a surgical dressing table for the local hospital which cost \$125.00.

Mrs. Margaret Smith, District Home Economist for Red Deer judged the handicraft exhibit which was in charge of Mrs. R. McNaughton. She complimented the ladies on the excellent quality of their work, which included knitting, embroidery, painting, housewares, quilts, crocheting and thrift articles. She said the purpose of handicraft exhibits was to improve the quality of work done, and she felt the exhibitors were doing this.

Handicraft winners were: 1. Westcott, 2. Melvin, 3. Zella.

The Women's Institutes have been encouraging groups, singing in choirs at their provincial functions, and Mrs. Gordon Ford also conducted a volunteer choir rendering "Sweet and Low."

Each W. I. presented an item of entertainment with the following artists performing: Mrs. Carl Ecklund, sang "Far Away Places"; Mrs. Wyn Broadhurst, Miss Linda Rosegood and Miss Emilie Dupont played piano solos; Miss Jessie McCulloch, accompanied by Mrs. A. Arnold McCulloch, sang "What God Can Do"; Maxine and Bernice Fulbert played a piano duet, and Elleen Neumiller recited a monologue "The Reschla Game."

Dr. Lishman showed films on soil erosion, which is one of the W.I. study projects, and also a collection of many useful and beautiful gifts were given to Grayce. Little Norma Jean Debele and Ralph Snyder, dressed as bride and groom, wheeled the bride in a decorated buggy.

pitais, flowers for the sick, fruit for needy, upkeep of community halls, clothing for Greece, and assistance to Cancer and other welfare organizations.

Mrs. W. Owens reported on the contest for the best school lunch served at the conference. Zella won first, Rugby second and Westcott third. She reported several W. I. branches had studied consumer buying and interior decoration.

Mrs. C. Gibbs reported on Agriculture, quoting from Maud Kerr, "Making Things Grow is the Biggest Thing there is."

It was reported that Miss Betty Neumiller of Banford, Buttercup, was elected provincial president of Women's Institutes Girls Clubs at Okla last week.

Courses For Driving Teachers at U. of A.

Sponsored by the Alberta Motor Association (Edmonton branch) a course for prospective driving teachers will be held at the University of Alberta from August 20 to 24 inclusive.

Professor A.E. Neyhart, administrative head of the institute of public safety at Pennsylvania state college and consultant on road training for the 3,000,000 member American Automobile Association, will conduct the course. The class will be limited to 40 persons and applicants for entrance will be received by the A.M.A. office until August 15.

Purpose of the course is to qualify high school teachers, representatives of firms operating fleets of vehicles and others interested in teaching the principles of driving. The course is the first of its kind offered at the university. It is of comprehensive nature covering the wide variety of material from the construction of an automobile to the history of driver training programs.

Among the subjects are administrative problems, driver qualifications and the methods of teaching driver education.

Professor Neyhart also will give talks on traffic safety programs, technique of practical training, driver attitudes, traffic engineering and traffic rules.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury Municipal Hospital to Mr. and Mrs. Gordon Callinich on Thursday, July 26, a boy.

To Mr. and Mrs. C. Aarsby of Carstairs on Monday, July 30, a boy.

FRUIT NEWS

RASPBERRIES Hot and dry weather in B.C. has ruined the crops from early districts. The canes dried up and any berries they had went to the canneries as they were too ripe for shipping. Shipments are being received from Salmon Arm district at present and Creston should commence this week, but unless they get cooler weather soon a shortage of Raspberries can be expected.

APRICOTS Shipments of B.C. Apricots are now arriving in Calgary. The crop is light and further supplies from Washington and California are unobtainable. If you plan on preserving Apricots we would advise securing your requirements during the next week.

IN MEMORIAM
In loving memory of our father, N. B. Snyder, who passed away July 30, 1950.
His smiling way and pleasant face are a pleasure to recall.
He had a kindly word for each and died beloved by all.
Some day we hope to meet him, Some day we know not when, To clasp his hand in the better land, Never to part again.
Ever remembered by—
Oliver Pearl, Verdella, Maynard, Virgil and Walter.

CHRISTIAN SCIENCE
How the elimination of fear will solve most of the world's problems will be explained Sunday in Christian Science churches. The Lesson—Sermon on "Love" contains the following excerpts: "And he answering said, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself." (Luke 10:27). "If we would open their prison doors for the day, we must first learn to bind up the broken-hearted." (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 366).

NASH-FREY NUPTIALS

(Continued from Page 1)
Her finger tip veil of illusion net cascaded from a lace tiara trimmed with orange blossoms, and she carried a bridal bouquet of gardenias, stephanotis and pink carnations.
Attending the bride was her sister, Miss Jean Frey, as maid of honor, and Miss Beverly Redfield as bridesmaid, gowned in identical dresses of silk green tulle with matching bonnets. Elbow length mitts of dainty lace completed their ensembles and they carried pink carnations and sprays of stephanotis on white-trimmed fans.

Mr. Gwinn Rice of Hall City, Idaho, was the best man and Mr. William Cox and Mr. Loyal Snyder acted as groomsmen.

For her daughter's wedding Mrs. Frey chose a grey crepe dress with navy and pink accessories. Her corsage was a pink gardenia centered in feathered white carnations.

The groom's sister, Mrs. Gwinn Rice, chose a turquoise dress with white accessories, and her corsage was of red roses.

Following the ceremony a reception was held at the Mountain View Bible College at which about fifty guests were seated. A three-tiered wedding cake centered the bride's table which was decorated with white tapers in candelabra. The other tables were attractive with bouquets of columbine and floral tapers. Mrs. Herbert Delois and Mrs. Loyal Snyder, cousins of the bride, poured tea. Miss Sarah Zeok catered and was assisted in the serving by the Misses Joyce Archer, Lois Sherrick, Doreen Snyder, Dorothy Stauffer and Opal Swalm.

For a honeymoon in Banff and surrounding points the bride travelled in a dressmaker suit of bit-terweet rust. She wore a panama sailor hat with brown trim, brown accessories and a corsage of gardenias.

The bride is a graduate of the University of Oregon and the groom is completing graduate work at the University of Washington. They will make their home in Portland, Oregon, where both will be on the faculty of Cascade College.

DON'T HAVE A SINGLE TRACK MIND ON A DOUBLE TRACK RAILROAD!

TO CARRY ROYAL COUPLE — The 20,000-ton Canadian Pacific liner Empress of France, in regular service between Liverpool, Eng., and Montreal, has been chosen to carry Princess Elizabeth and the Duke of Edinburgh to Canada for their tour of this country.

Inset shows Captain B. B. Grant, a veteran of 32 years' service with Canadian Pacific Steamships, who holds the rank of Commodore in the Royal Navy Reserve, and who will be in command of the vessel on her historic voyage. Also to be aboard the ship on the trip are several company officers and men who attended King George and Queen Elizabeth on the Empress of Britain when they returned to the United Kingdom following their tour of Canada in 1939.

The Empress will sail from Liverpool with the royal couple September 25, arriving at Quebec October 1.

SUPPORT THE JAMBOREE, AUGUST 8

The Didsbury Lions Club Annual Jamboree will again be the big sports attraction in Didsbury this year and the date has been set for Wednesday, August 8, when a program of professional baseball will head the afternoon's entertainment.

The big parade in the morning will start off the day's sport program, and the ball games and other entertainment follow, starting at 12:00 o'clock noon.

Plan now to attend the Jamboree in Didsbury. The proceeds are for a good cause—completion of the Didsbury Memorial Ball Diamond—and this will be an opportunity to enjoy a holiday before the annual harvest rush.

GOOD OLD SUMMERTIME

For generations the song, "In The Good Old Summertime," has been popular, not so much because it is a catchy piece of music but because it extolls what is for most people the favorite time of the year.

Inhabitants of northern countries such as ours appreciate the summertime all the more because it is relatively short. In more favored climates, California for instance, where according to the natives summer is an all-year-round season, the summer months cannot mean so much.

For most of us Canadians summer is a real holiday even though we may be unable to get away from our regular work. For a couple of months anyway we are divorced from the onerous chore of shovelling coal and emptying ashes. Little jobs like mowing the lawn or weeding the garden seem pleasant in comparison.

Canadian summer is out-of-doors time. Picnics, sports days, week-ends at the lake and homes open wide to the elements are among the features of the season. Summer is holiday time for many and no doubt this is the best season to get away from it all. More and more business places in this country are closing up completely for a couple of weeks to give employees a holiday. Even retail stores in larger centres are beginning to follow this practice which is becoming common in the case of factories, warehouses and offices. Being closed for a week or two in the summer, oddly enough, does not seem to cut down on the volume of business handled. Rather by giving management and employees a rest more is accomplished and more efficiently than under the old staggered holiday system.

For each individual summer holidays should mean a complete change. It is a good thing to get away from one's customary haunts, see something of the rest of this great country of ours, meet new people, do new things. Surprising how new contacts and new scenes give a person new ideas and something new to think about and talk about.

For school youngsters summertime is synonymous with freedom. Perhaps unfortunately efforts are continually being made to organize through camps and vacation schools the free time of youngsters during the summer vacation. We think that this can be carried too far. Children need a change, just as adults do. The best part of the long summer holidays, if you remember your childhood, was the freedom from having to do anything in particular. Perhaps that's just bad child psychology, but for the kids it can be fun.

Summertime in Canada is a wonderful season and we are fortunate in having only a short one. We never lose the zest for summer living because we never have too much of it.

EAGER BEAVERS

The staff of the Department of Finance in Ottawa appear to be just a little over eager beaverish. They are eager to get every last penny in taxes, judging from the new table of Income Tax Deductions at Source, but are not so eager to pay interest on overpayments.

Deductions provided by the table which came into effect on July 1st have been increased to 100% of the tax and are, of course, some 25 per cent higher than those in the previous table as was announced by the Minister of Finance last spring.

The catch is that most everyone these days makes charitable donations or has medical expenses high enough to reduce taxable income. As a result most tax payers will have too much taxes deducted from their pay. Inevitably a tremendous number of tax refund cheques will have to be sent out eventually and in all likelihood many more civil servants will have to be hired to look after the job.

There was not much wrong with the old system whereby 95 per cent of the tax was deducted at the source. This meant that for a great many people at the end of the fiscal year taxes due and taxes paid evened out because of charitable donations, medical expenses and other deductible items.

We feel that many Canadians, realizing that their money overpaid in tax deductions does not bear interest, are resentful of the eager beaver attitude of the Department of Finance. Mr. Abbott might well reconsider his department's policy on payroll tax deductions and revert to the former, more equitable system.

BEAVER NAMED ONE OF ALBERTA'S PAYING CROPS

A new crop has been introduced to Alberta farmers. It doesn't have to be planted like grain, nor fed and sheltered like stock. Yet it is bringing farmers hundreds of dollars annually.

The crop is beaver pelts. The furry animal that was once considered a nuisance now is proving to be an excellent source of income for Alberta farmers. In the new farmer-trapping program, introduced last year by the Department of Lands and Forests, farmers are allowed to take a crop of beaver annually, just as they would with other farm animals and crops.

Portions of land that are unsuitable for crops or grazing can be profitably utilized through the raising of beaver.

When a farmer applies to the Game Branch for a licence to trap beaver, an inspector determines the number of beaver on his land, and computes the number which can be trapped annually. The farmer pays \$10 for a licence and is given a certificate allowing him to market his quota.

This spring almost 950 permits were issued to farmers, allowing them to trap about 18,450 beaver. There is a startling comparison when this figure is compared to the annual take of registered trappers, who take approximately 6,000 beaver a season. During one year of the farmer-trapping program, farmers were allowed to trap almost triple the number of beavers taken by trappers.

There is no doubt now that beaver trapping by farmers can become a prime economic importance to Alberta, and will prove a definite asset to farmers having suitable water on their farmland.

There are three possible ways to catch beaver: steel trapping, live trapping and shooting. Of these live trapping and shooting are the best methods, as they allow greater choice and can avoid the killing of young animals.

If live trapping, the Bailey trap is most commonly used. When sprung, it snaps together above the head of the beaver, drawing a netting around the animal. In appearance, it is similar to a large mesh

purse. If a farmer has a small quota to fill, this trap will allow him to choose only the Grade one, blanket-type beaver, and to release any small or off-color animals.

Many live beavers are sold to registered trappers, who can arrange for the transfer of the animals to their own trappings. These arrangements are under supervision of the Game Branch.

Shooting is another excellent method to choose the best beaver. The Game Branch has pointed out that only high velocity rifles of 25-20 calibre or greater, may be used. Killing beaver with .22 calibre rifles using rim fire cartridges is illegal.

Trapping, which is the most common method, should be done with a No. 3 double spring trap or larger. Snare traps are unsuitable. When setting traps, care should be taken that the beaver will drown when caught, or they likely will escape minus a leg. Traps are not allowed to be set within five feet of a beaver lodge.

By following these simple procedures the farmer can catch only the finest beaver, which may bring him up to \$35 a pelt if properly prepared. It is not necessary for the farmer to do his own trapping, but outside experienced help can be obtained, if desired.

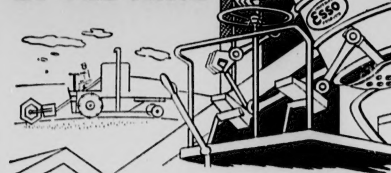

POULTRY PRODUCTION

World egg production is 40 per cent above pre-war, and rationing has been discontinued in nearly every country. Many of the major producing countries are seeking outlets for surplus eggs and poultry.

Chicken numbers increased considerably in 1950 in nearly all major producing countries, particularly in northwestern Europe. Canada showed a decrease of 13 percent, however, and the United States 3 percent.

The decrease in chickens had a noticeable effect on egg production in Canada and for the first time in its history Canada has been importing eggs this year.

A farm hand WORTHY OF HIS HIRE

WORKS WELL IN ANY WEATHER

Like the industrious and worthy farm hand that always strives to further the best interests of his employer, Esso Gasoline and Esso Diesel fuels can always be depended on for top notch performance. Perfectly blended, they start well on cold harvest mornings, respond instantly when you push down on your accelerator and are merrily for economy—they help you get the greatest number of acres per barrel.

You can depend on all three

ESSO GASOLINE—A high quality gasoline for high compression motors. Its anti-knock qualities help your tractor develop maximum power and efficiency. It is "tailored to the season" for better starting and smooth performance in all kinds of weather.

ACTO GASOLINE—A high quality gasoline for medium compression engines that cannot take full advantage of the extra power and anti-knock qualities of Esso Gasoline.

ESSO DIESEL FUEL—For Diesel farm tractors that require a fuel that is refined to close specifications. Fast starting and smooth running on cold days.

NIGHT FLOWERING CATCHFLY

Within the past few weeks I have been called out to several farms to identify a strange plant and in each case it was night flowering catchfly.

Following is a description:
Annual and winter annual erect from 1 to 3 feet high, somewhat branching lower leaves ovate, narrowed at base. The whole plant is covered with soft spreading glandular hairs and the plant has a sticky substance which wants to cling as you walk through the patch.

There is a fruit capsule at the branch ends which is elongated and ovate in shape. This will eventually fill with seeds which when ripe are a dirty brown in color.
This weed is a rank and heavy seeder and is objectionable to livestock whether in pasture or in cured fodder on account of its pungent flavor and woody texture.

Remedy: Pull or mow all plants before they set seed and burn the plants and very young seedlings. Look your fields over and make sure that you do not have some new weed. Early identification and proper measures simplify the weed control problem.

CANADA'S 29th ANNUAL ARCTIC
PATROL BEGAN JUNE 27

Twenty-two far northern settlements are to be visited and nearly 1,500 tons of supplies will be distributed during Canada's twenty-ninth annual Eastern Arctic Patrol that got under way when the Department of Transport vessel, "C.D. Howe", sailed from Montreal, Wednesday, June 27.

Work of the Patrol this season will include hydrographic survey, aerial photography, local service, and study of game conservation which is of supreme importance to the Eskimo people.

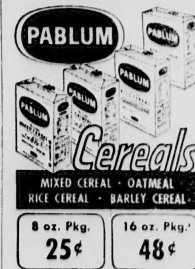

J. Caudley and Alex Stevenson, both of the Arctic services of the Department of Resources and Development, are officers-in-charge of the expedition during the 10,000 mile journey which may last as long as four months. As senior administrative officers it is their duty to co-ordinate the work of the Patrol. Their responsibilities also include those of a justice of the peace, game officer, and officer for citizenship matters. Resources and Development personnel will study the conditions in the Eastern Arctic with a view to furthering the aim of the administration which are to ensure a sound Eskimo economy.

REVISED RAILWAY OPERATING
RULES EFFECTIVE AUGUST 26

Many railroaders who thought that their period of study and examinations was over are now finding out that they have to go back and "do it all over again." The reason is that all the Canadian railways are instituting a revised set of railroad operating rules, effective August 26, 1951. New Revised Rule books have been issued and rule classes are being conducted at convenient centres. Every railroad employee who is required to write Railroad Operational Examinations is also required to attend at least one class before writing the examination, after which he is required to pass an oral examination.

It has taken the Railway Commission approximately ten years to prepare the new revised set of rules, set forth in a rule book of 163 pages, and it takes approximately 8 hours to write the examination.

The Didsbury section crew attended a rule class at Olds last week. The local railway agent, Mr. VanWyck, attended classes in Saskatoon before coming to Didsbury, and wrote his examination in Calgary last weekend.

Notes From the D.A.
(Hugh McPhail)

ARE YOU WASTING LABOR?

The following is from the Country Gentleman. It is the introduction to a longer article:

Labor shortage? Well, maybe on some farms, but thousands of farmers are actually hoarding labor without realizing it — by doing things the hard way, or by not farming as well as they know how. Top farm economists agree that:

The poor farmer wastes up to 20 per cent of his labor.

The average farmer wastes up to 10 per cent of his labor.

The below average farmer wastes up to 70 per cent of his labor.

You don't believe it? Well, take a look at the labor required to raise crops and livestock on average American farms. Compare that with better farms where jobs are done with 300 per cent to 1300 per cent less labor.

When 280 hours is the national average for raising an acre of wheat—20 minutes a bushel. In the Great Plains area they do the job with 125 hours of labor—only 5 1/2 minutes to the bushel.

Hog farmers put in an average of three hours to raise 100 pounds of pork, yet some Indiana hog men do a better job in 15 minutes.
Dairymen the country over take 150 man-hours per cow per year to produce less than 5,000 pounds of milk. That's three man-hours of labor per 100 pounds. Yet some Kentucky dairymen are making 8,000 pounds in only 50 man-hours, or less than 10 minutes per 100 lbs.

SEEK TO FULFILL
SHIP'S DESTINY

VAN OVER—Part of a legend left here for Mexican waters when the fishing trawler Lady Royal, owned and worked by two Vancouverites, sailed off to southern Tuna grounds.

The owners, Jack Noble and his wife, and the two Canadians making the long trip this year to join Mexican and American fleets in the Alvarado runs off San Pedro.

And, in a strange roundabout way their voyage builds a prophecy once made by a fabulous character who called himself Brother Twelve.

In Victoria's Dominion Express office in 1901, Edward Arthur Wilson was a pale, ascetic-looking clerk. Only his dark burning eyes hinted at his strange destiny.

Born in India and reputed to have precisely blood in his veins, Wilson said his commonplace name and emerged as Amiel de Valdes, taking his surname from an old near Sardinian, I.C., where he established his firm, The Acuarium Foundation.

His fervent mysticism took him to Greece, Italy, where he studied Oriental magic with the "Eleven Masters of Wisdom," and graduated as "Brother Twelve."

In England later, his hypnotic eyes induced a wealthy woman to buy him a 20-foot Brizham trawler, the Lady Royal.

Then, with only a map, a compass, and the stars, the mystic with the fascinating eyes and dagger beard sailed the Lady Royal single-handed across the Atlantic, through the Panama Canal, up the Pacific coast and home to his island.

Three years later, 800 persons all over North America were sending money to the Chela of the Great White Circle at the house of mystery on Amiel Island.

Amounts ranged up to \$1,000 a week, provincial police reported. All in all, he took in over 100,000 dollars from his followers by no other magic than his sullen tongue.

Convents—including two women with millions, at one of the U.S. Secret Service, a lawyer, a chemical engineer, and a Roger Painter, the "Poetry King of Florida," flocked to the island.

But by 1939, Brother Twelve had slipped to using a whip on his followers, and they finally sought police intervention.

Police arrived too late. The madman and his "secretary," a Madame Zee, escaped to sea on a powerful, seagoing tug called The Rheumata, after an Egyptian God.

Brother Twelve—Edward Arthur Wilson—was never seen here again. Just before he fled to sea, the madman dynamited and sunk the Lady Royal and in a kind of weird prophecy, predicted that whoever sailed the Lady Royal again would find Spanish gold.

A succession of marines tried unsuccessfully to restore the hulk. Treasure seekers chipped away cement blocks wedged along her hull, vainly seeking a fortune in her hold, and the fish is worth \$300 a ton.

And then there'll be paid in her hold at last, just as Brother Twelve predicted on the night he vanished 20 years ago.—Exchange.

WHEAT POOL POLICY

It was never the intention of the founders of the Alberta Wheat Pool and Pool Elevators that earnings should be distributed on the basis of capital stock holdings. The Pool elevator system was built to give service to working farmers, not to make profits for stockholders.

The present Wheat Pool policy in respect to reserves accumulated during the period 1923 to 1928 provides for their purchase at 100 cents on the dollar from the older members and from those no longer engaged in farming and the transferring of these reserves to members who patronize Pool elevators, together with a cash patronage dividend in years when earnings justify same.

Since Alberta Pool Elevators started in business the following payments have been made to patrons and reserve holders:

Patronage dividends in cash	\$4,695,593
Redemption of reserves	5,876,900
Total	\$10,572,493

In addition to the above, patronage dividends have been paid in reserves to a total of \$4,935,846.

Every Pool member should have a clear understanding of Pool policies. It is believed that such policies should encourage more farmers to become Pool members and should also be an incentive to increased deliveries to Pool elevators.

Mr. and Mrs. Wayne Foat and Mr. and Mrs. Marvin Hughes of Calgary spent a few days at Windermere, B.C.

A miscellaneous shower was held at the home of Mr. and Mrs. Wayne Foat recently in honor of Mr. and Mrs. Everett Harder (nee Eleanor Gale) of Calgary. About forty guests were present and many nice gifts were received by Mr. and Mrs. Harder.

MOUNTAIN VIEW

Mr. and Mrs. Goldfeldt and Donny and Mr. and Mrs. Harvey Stahl were visitors Sunday with Mr. and Mrs. Arthur Telers and family, and the Goldfeldt children, Sylvia and Philip, who were holidaying here, returned home with them.

Dinner guests Sunday with Mr. and Mrs. Joe Hunter and boys and Joy Elliott were Mr. and Mrs. Lawrence Hunter.

Sunday visitors at the Sam Elliott home were Mr. and Mrs. Geo. Camps, Mr. and Mrs. Thomas Camps and two boys, Mr. George Clark, Mr. and Mrs. Joe Hunter and boys, Joy Elliott and Mr. and Mrs. Lawrence Hunter.

Mr. John Bost and Miss Mildred Pothoff of Aldrie visited Sunday with Jack Bender at the home of Charles Kohut.

Miss Margaret Atkinson had a birthday party Sunday evening at which a number of friends gathered to help celebrate the occasion. Mr. Durrer and Mr. and Mrs. E. G. Durrer and Vickey spent the weekend with Mr. and Mrs. Walter Pratt and family.

Mr. and Mrs. Grenville McCaig, Anna and Florence spent the weekend in Banff.

Mr. and Mrs. T. J. Hunter and girls of Red Deer visited in the district on Sunday.

South West Didsbury

Mr. Abner Hunsperger, Mrs. Billy Peterson and Rhonda and Miss Patsy Rennie left Wednesday for Banff and returned Sunday.

Miss Edith Hunsperger of Edmonton has started her vacation and is visiting relatives. She will be the secretary of the Gull Lake Camp which starts Tuesday.

Mr. and Mrs. J. B. Hipkin and Patsy were Sunday guests of Mr. and Mrs. Ian Morgan of Carstairs.

Miss Patsy Hipkin and the Misses Sheila and Betty Morgan plan to attend the Gull Lake Camp, leaving on Tuesday.

Mr. and Mrs. Fred Betus and family spent a day at Pine Lake and were joined by Mr. and Mrs. Ted Fulkman and family of Trochu.

Sunday dinner guests of Mr. and Mrs. L. Hunsperger were Miss Edith Hunsperger, Miss Grace Hunsperger, Miss Edith Sherrick and Miss Marion Sherrick. Later in the evening they motored to Calgary to visit Mrs. Ellen Cressman who is a patient in the Holy Cross Hospital.

Mrs. Jack Edwards and children and Mrs. Jack Wych and children were Wednesday afternoon visitors with Mr. and Mrs. Albert Konechuh and family.

Mr. and Mrs. Albert Konechuh and family were Thursday evening visitors with Mr. and Mrs. Jack Edwards and family.

Mr. and Mrs. Tom Edwards and family of Carstairs were Friday evening visitors at the J. Edwards home.

Sunday dinner guests of Mr. and Mrs. Jack Edwards were Mr. Ken Dickau, Miss Irene Erb, Mr. Eddie McLeod, and afternoon visitors were Mr. and Mrs. Jack Riddell and family of Didsbury and Mr. and Mrs. Phil Vorletz and Mrs. Biers of Calgary.

Mrs. Cecil Weber's brother, Mr. Mervin Davis of Athabasca, visited here Friday. Mrs. Weber and daughter accompanied Mr. Davis to Red Deer to visit Mr. and Mrs. Davis till Sunday when Cecil motored up to bring them home.

Mr. and Mrs. Ernest Good and Nedla were Sunday dinner guests of Mr. and Mrs. Gordon Weber.

Mr. Abner Hunsperger, Mrs. B. Peterson and Rhonda, Miss Patsy Rennie, Mrs. J.W. Heuser, Mr. and Mrs. M. Dippel and Carole, Carol and Barbara Stroud and Mr. and Mrs. W.A. Sherrick and Darrell all took in the Circus in Calgary last Tuesday.

Mr. Otto Bartz and Mr. Oscar and Erhart Rhinehart returned Sunday from a two weeks' trip through the States to the coast and stopped off at Creston on the return journey.

Mrs. George Meyer entertained at a family dinner Sunday and guests included Mr. and Mrs. Carl Meyer and family, Mrs. J. J. O'Brien, Jeanette and Laura, Mr. and Mrs. E. A. Bartz and Arlene and Mr. George Meyer.

Mrs. J. J. O'Brien, Janette and Laura left Sunday evening for Edmonton after spending some weeks visiting relatives.

Mr. and Mrs. Carl Meyer and family were Sunday evening visitors with Mr. and Mrs. J. B. Hipkin.

Mr. and Mrs. James Hipkin of Edmonton were overnight guests of Mr. and Mrs. J. B. Hipkin.

WESTERDALE

(Last Week)

Mrs. W. Herbert was hostess to the Working Women at the meeting held last Wednesday afternoon at the home of Mrs. W. Herbert. The members were present, Roll call was answered with wit and wisdom.

Mrs. F. Jackson reported that the total cost of paint for the hall was \$75.00 and it was suggested that the four broken window panes in the hall be replaced.

Mrs. D. Herbert was in charge of a contest which was won by Mrs. J. E. Bolton. The tea money hostess prize was won by Mrs. John Schrad.

The August meeting will be held at the home of Mrs. A. Buckley.

Mrs. Lester Barnes and children of Coalinga, B.C., arrived last week to visit at the home of Mr. and Mrs. W. Herbert.

Mr. Bill Wagley of Leduc visited from Monday to Thursday at the home of his grandparents, Mr. and Mrs. L. Jones, after having spent a week on a motor trip to California.

Mr. Stan Hunt of Calgary and a niece visited at the home of Mr. and Mrs. A. Jones on Saturday last. Mrs. L. Jones motored to Calgary on Saturday where she visited at the home of her brother and sister-in-law, Mr. and Mrs. S.A. Kenney, until Monday.

The Westerdale hall team played at Waterside last Thursday evening and were defeated 10-2.

(This Week)

The local hall team was defeated on Sunday afternoon in the last league game by the Harman team, the score being 13-1. The four teams remaining in the semi-finals are Harman, Hainstock, Waterside and Hilderest.

Mrs. A. Jackson was honored on her 27th birthday Sunday evening at a buffet turkey supper held at the home of Mr. and Mrs. R. Jackson. Those attending were Mr. and Mrs. G. Nelson and son, Mr. O. G. Wm. White and Ellis of Melvin, Mr. and Mrs. A. Jackson, Mr. and Mrs. H. Jackson and family, Mr. H. Jackson, Miss Greta Kershaw, Mr. and Mrs. S. Jackson and children, Mr. and Mrs. F. J. Jackson and daughter.

Mr. and Mrs. W. Herbert and their sons and daughters and their families enjoyed a reunion picnic at St. George's Island in Calgary on Sunday.

Mrs. Lester Barnes and two children of Castlegar, B.C., expected to leave for home on Monday after spending a week at the home of her parents, Mr. and Mrs. W. Herbert.

Mr. Dan Mazepka of Evansburg and Mr. Irvin Louis of Leduc visited briefly last Tuesday evening at the home of Mr. and Mrs. F. J. Jackson and Mr. George Jackson.

M.V.B.C. NEWS

On Sunday, July 22, Mr. and Mrs. Harold Oke, Alta Mae Oke, Mr. and Mrs. J. E. Hoskins drove to the Pioneer Youth Camp at Rocky Mountain House. Many in the community will recall with happy memories when Mr. Joe Curry, the Pioneer Youth Camp director, spoke at the Carstairs and Didsbury High School Bible Club this spring. Pioneer Youth Camp just started this year and promises to be of great spiritual benefit to the young people of the Province.

Miss Grayce Snyder has taken up her duties as the school's housekeeper. She has already been very busy earning.

Our Dean of Women, Miss Gladys Eby, is now visiting her father who lives in Snohomish, Washington. She writes that her father is in better physical condition than when she saw him last summer.

The lovely wedding reception of Mr. and Mrs. Lee Nash was held in the school dining room on Friday afternoon, July 27th. Out of town wedding guests staying at the school were Mr. and Mrs. Gwinn (nee) and family from Hills City, Idaho. Mr. Leta direct of Salem, Oregon, and Mr. Bill Cox of Castor, Alberta.

Miss Irene Megli who has been teaching in Daily Vacation Bible schools at Cremona, is staying at the school for a few days before she leaves for Calgary where she and Miss Rita Sawatzky will be teaching in D.V.B.S. in the Killarney community where Rev. Leslie Quantz is the Pastor.

UNITED KINGDOM ARTIST LECTURES IN ALBERTA

Mr. Wm. Townsend, the well-known painter, of West House, Kent, left Britain on June 19th for Canada. He will lecture for seven weeks at the Banff School of Fine Arts, and on his way back, plans to visit cities in Eastern Canada.

FIRST CANADIAN WOMAN JOINS BISLEY MARKSMEN

Miss Mary McLellen, 32-year old school teacher of Charlottetown, P.E.I., is the first woman to represent Canada at Bisley. She is following in her brother's footsteps, who was on the 1928 Bisley Team.

NICHOLS' NEWS

ANNOUNCING —

That Paul Sheldon of Edmonton started to work with us as parts man. Paul is married and has a son and daughter. He worked as parts man for the U.S. army for eight years. Though he knows little about John Deere he is willing to learn and is friendly.

We hope in a short time he will give better service that we have been able to before and we ask our customers to help him by bringing part numbers or the parts.

Your satisfaction is going to be our success.

Mrs. Les Bramley of Carbon is visiting with her parents, Mr. and Mrs. D. N. McDonald and brother George.

Mr. Oscar Rupp was admitted to the Didsbury hospital last weekend suffering from a ruptured appendix and his condition was reported as serious.

Tom Scott, who is working for the City of Calgary, spent the weekend with his parents, Mr. and Mrs. Ira Scott.

Mr. and Mrs. Frank Kynel and son Boyd returned to their home in Coleman last Thursday after visiting with the former parents, Mr. and Mrs. Joseph Kynel in Didsbury. While here they also visited with Frank's brother Joe and family at Bergen and renewed acquaintances in town and district.

BANCROFT BUTTERCUPS

The July meeting of the Bancroft Buttercups was held at the home of Marlene Chappel and opened by singing "Good Old Summertime" and repeating the creed. Twelve members answered roll call with a suggestion for craft for children.

A report was given by the delegate to the Oids Convention. Betty Neumiller won the field. The next meeting will be held at the home of Patricia Hoskins on August 23.

GOOD FOOD INEXPENSIVE IN GREAT BRITAIN

Mr. John Bridges, Director General of the British Travel Association, recently arrived in the U.S.A. armed with 50 specimens. British menus drawn up by leading hotels and restaurants in the U.K. Looking at them, American experts agreed that British prices are cheaper than those in the U.S. Mr. Bridges said that he had come over to counter-act mistaken ideas that food in Britain was short and too expensive.

Do Your Buying In Didsbury . . .

Have you ever stopped to think that every dollar you spend in Didsbury helps to build Didsbury up—helps make it a better town to live in and to do business in?

Your local business men play a large part in the affairs of the community. They contribute a large share of the local taxes and lend support to every community enterprise. They endeavor to serve you to the best of their ability and as their businesses grow so grows the town.

It is the patronage of Didsbury and district customers that enables them to constantly strive to extend the range of services and merchandise they offer. By spending your dollars with your local merchants you not only receive friendly, satisfactory service—you help make your community better in every way.
